Date: 7/9/2014 **Status:** Inspection

Author: Espe, Brady

Updated Oil Volume:

Updated Salt Water Volume:

Updated Other Volume:

Updated Other Contaminant

Notes:

The weather was 69°F, clear, hazy, with wind from the northwest 0 to 5 miles per hour. I looked around the site and could not see any issues; it appears the illegal dump product has been dealt with. Did not see any impacted vegetation around the pad. No further followup needed at this time.
